## 2024 Accomplishments

### American Rescue Plan Infill Initiative

Erie County and the City of Buffalo have both received funding through the American Rescue Plan Act (ARPA). In summer 2023, representatives from Erie County and the City of Buffalo approached BENLIC with the goal of committing these funds to the construction of infill housing in order to address the affordable housing shortage currently affecting residents of Buffalo and Erie County. Through a series of meetings, the best course of action decided by all parties was for BENLIC to serve as developer in the construction of these houses.

A total of \$23.5 Million has been pledged to BENLIC for the infill construction of a planned forty-seven (47) new, affordable homes by the City of Buffalo and Erie County. BENLIC staff and City of Buffalo staff worked together to select vacant lots suitable for infill construction. These lots have been conveyed to BENLIC for development from the City of Buffalo.

Throughout 2024, BENLIC staff procured design and construction services for the ARPA Infill Initiative. The team consists of HHL Architects and Buffalo Construction Consultants (BCC). Throughout March and April 2024, BENLIC held five community meetings in four Buffalo neighborhoods to invite residents to comment on preliminary design ideas. In May 2024, EcoLogic Studios was hired to design five homes in Cheektowaga to be built on vacant lots owned by BENLIC using ARP funds. In November 2024, HHL's designs were finalized and the bidding process was scheduled to begin in early 2025.

### Adams Street Infill Housing Initiative

In 2024, the Buffalo Erie Niagara Land Improvement Corporation (BENLIC) entered into a Construction Agreement with a qualified builder for the development of twelve (12) homes on Adams Street in Buffalo's Ellicott District as part of the Adams Street Infill Housing Initiative. This Initiative is a collaboration between the City of Buffalo, BENLIC, Evans Bank, and NYS Homes and Community Renewal (NYS HCR).

A selection committee consisting of BENLIC staff, board members, City of Buffalo staff, and Evans Bank officials chose Buccilli Renovations as the preferred developer. Buccilli Renovations was selected due to their local expertise, commitment to MWBE utilization, high quality of work, and prior work in Buffalo building multiple residential homes. Their proposal is for 12 single-family homes that fit the character of the neighborhood and that BENLIC will be able to sell at an affordable price to lower-middle income homebuyers.

In August 2024, Buccilli Renovations broke ground on the project. By year's end, eight foundations had been built, and three homes had been completely framed and roofed. Construction is advancing ahead of schedule and is expected to be completed by the beginning of 2026.

### NYS HCR Land Bank Initiative Phase I

The 2022-2024 NYS Budget included \$50 million to support services and expenses of Land Banks and HCR allocated resources in two phases. Phase I provided essential funding for Land Bank operations and non-capital expenses. BENLIC applied to receive operational funding which would go solely toward personnel expenditures.

In 2022, BENLIC and NYS HCR entered into a grant agreement in which BENLIC would receive \$200,000 each year from the Land Bank Initiative fund to be used for payroll expenses for total term of three (3) years. On August 15, 2024, BENLIC received the second/third installment of this grant. These funds freed up funding for programming that was previously allocated for salaries. The continued investment in BENLIC by NYS shows the faith that the state government has in the effectiveness of BENLIC as a Land Bank.

#### NYS HCR Land Bank Initiative Phase II

Phase II of the NYS HCR Land Bank Initiative provides funding for capital expenses. In 2024, BENLIC received a total of \$1.7 Million. This money has been applied towards three (3) different BENLIC initiatives. \$232,000 has been used towards pre-development costs for the Adams Street Infill Initiative. \$243,595 is being used for property rehabs as part of the Legacy Cities Access Program. The remaining \$1.2 Million is being used to rehabilitate or demolish seven vacant (7) properties currently in BENLIC's inventory.

In March 2024, bids from contractors were presented to and approved by the Board of Directors to rehabilitate four (4) properties—249 East, 149 Northland, 236 Brunswick, and 702 Norfolk—in the City of Buffalo. All four were in dire need of intervention in order to save the structures. These homes will be resold on the public market to owner-occupants upon completion in the first half of 2025. Three (3) structures—33 Schuele, Buffalo; 473 Monroe, Evans; and 531 Roanoke, Evans—have been demolished as they were dilapidated beyond means of repair.

Securing this funding was a critical step for BENLIC to continue its traditional vacant house rehabilitation activities. While BENLIC is pivoting towards building new housing in the Adams Street and ARPA infill projects, the Land Bank Initiative Phase II will allow BENLIC to continue with the type of projects that it has the most experience completing.

#### Property Sales

The Corporation recorded a sales figure of \$462,905.00 in the disposition of 18 properties in 2024.

#### Organizational Capacity

Matthew Azzano was hired in September 2021 as an intern. He has a bachelor's degree in Urban and Regional Planning from Buffalo State University. In March 2024, his hours were increased to full-time and he was brought on as a salaried employee.

John Good was hired in 2017 as a building inspector. He has decades of experience as a Code Enforcement Officer. In September, 2024, John's position was expanded to Construction Specialist and he was brought on as a full-time salaried employee.

**Mission Statement:** The Buffalo Erie Niagara Land Improvement Corporation (BENLIC) seeks to confront and alleviate the problems distressed properties cause to communities by supporting municipal and regional revitalization efforts and strategically acquiring, improving, assembling and selling distressed, vacant, abandoned and and/or tax-delinquent properties.

- ❖ ***Return distressed, vacant, abandoned and/or tax-delinquent property to productive use.***  
***The Corporation obtained and holds clear title on all of its property:***
  - a. Accepted one (1) tax-delinquent and tax-foreclosed property via donation.
  - b. Used LBI Phase II grant from NYS HCR to undertake the rehabilitation of four (4) deteriorated houses and the asbestos abatement and demolition of three (3) buildings which have deteriorated beyond repair
  - c. In 2024, BENLIC used its own funds to pay contractor Buccilli Renovations to begin a new construction project of twelve (12) units of single-family homes.
  - d. The Corporation disposed of eighteen (18) properties: seven (7) residential structures and eleven (11) vacant lots. BENLIC sold one (1) residential structure after performing an “in-house” rehab using grant funds and sold one (1) residential structure after using BENLIC funds to rehab; three (3) vacant houses were sold to developer Darold Fountain for him to rehabilitate as part of the NYS HCR Legacy Cities ACCESS program; two (2) structures and 3 (three) vacant lots were transferred to their respective municipalities; and eight (8) lots were sold to adjacent homeowners or residential property owners.
- ❖ ***Enhance the quality of life within neighborhoods***
  - a. The Corporation completed the rehabilitation of two (2) properties and commenced the rehabilitation of four (4) properties. These properties were blighting proximate property and neighborhoods at-large. Each rehabilitation has increased the value and improved the perception of the neighborhood. Many of the Corporation’s rehabilitation projects are nestled amongst otherwise well-maintained properties; it is expected that rehabilitating properties in this “bad tooth” category will generate significant economic and social impacts for the surrounding area including higher property values, higher desirability, and a lower potential for crime.
  - b. The Corporation substantially completed planning for the American Rescue Plan Act (ARPA) Infill Initiative in which approximately forty-seven (47) new, affordable homes will be built. Groundbreaking expected in the first half of 2025.

- c. The Corporation broke ground on the Adams Street Infill Initiative in which twelve (12) new single-family homes are under construction on one block in a largely vacant and impoverished section of the east side of Buffalo.

❖ ***Actualize, stabilize and grow the value of the real property tax base***

- a. Properties undergoing rehabilitation by the Corporation, or otherwise improved, will likely realize an increased assessment. This increase will provide for future growth in the value of the real property tax base.
- b. Disposition guidelines of the Corporation function to responsibly return property to productive use to owners that will improve, maintain, make code-compliant and safe, and keep conveyed property from returning to its formerly distressed, vacant, abandoned and/or tax-delinquent status.
- c. In 2024, BENLIC marketed vacant non-buildable side lots in its inventory to owners of neighboring parcels. Purchasers are required to merge their parcel with the side lot being purchased. This ensures they will be responsible for maintaining the land and paying taxes on it. Eight (8) of these side lots closed in 2024.

❖ ***Provide economic growth, encourage economic opportunities***

Education and Outreach is conducted continually throughout Erie County during the course of the year. Each town and village in Erie County received an annual notification of properties “ripe” for foreclosure which is interpreted as at least three years behind in tax liens. These properties are considered Land Bank candidates. BENLIC conducts training sessions, presentations, and one on one visits to municipal leaders. These sessions are intended to perform participants as to the benefits of Land Bank participation, the economic opportunities the Land Bank offers, and the value of returning vacant, abandoned structures to productive use. BENLIC also seeks partnership with qualified not-for-profits with affordable housing missions. We didn’t do RFPs this year. Sheesh.

❖ ***Create affordable housing opportunities to meet regional needs***

The Corporation created affordable housing opportunities by using grant-funded programs to meet affordable housing needs for residents at 50-100% AMI. 109 Humason was rehabilitated using funds from Enterprise Community Partners. This house was sold in March 2024 to a buyer who earned less than 100% of the Area Median Income.

The Adams Street Infill Initiative planning was completed and is currently under construction. All twelve (12) homes will be sold to buyers earning less than 80% of the AMI.

The ARPA Infill Initiative planning has been substantially completed during 2024. All forty-seven (47) homes will be sold to buyers earning less than 300% of the federal poverty income level.

Code of Ethics and Conflict of Interest Policy

---

This Code of Ethics shall apply to all directors, officers and employees of the Corporation. These policies shall serve as a guide for official conduct and are intended to enhance the ethical and professional performance of the Corporation's directors and employees and to preserve public confidence in the Corporation's mission.

**Responsibility of Directors and Employees**

1. Directors, officers and employees shall perform their duties with transparency, without favor and refrain from engaging in outside matters of financial or personal interest, including other employment, that could impair independence of judgment, or prevent the proper exercise of one's official duties.
2. Directors, officers and employees shall not directly or indirectly, make, advise, or assist any person to make any financial investment based upon information available through the director's or employee's official position that could create any conflict between their public duties and interests and their private interests.
3. Directors, officers and employees shall not accept or receive any gift or gratuities where the circumstances would permit the inference that: (a) the gift is intended to influence the individual in the performance of official business or (b) the gift constitutes a tip, reward, or sign of appreciation for any official act by the individual. This prohibition extends to any form of financial payments, services, loans, travel reimbursement, entertainment, hospitality, thing or promise from any entity doing business with or before the Corporation.
4. Directors, officers and employees shall not use or attempt to use their official position with the Corporation to secure unwarranted privileges for themselves, members of their family or others, including employment with the Corporation or contracts for materials or services with the Corporation.
5. Directors, officers and employees must conduct themselves at all times in a manner that avoids any appearance that they can be improperly or unduly influenced, that they could be affected by the position of or relationship with any other party, or that they are acting in violation of their public trust.
6. Directors, officers and employees may not engage in any official transaction with an outside entity in which they have a direct or indirect financial interest that may reasonably conflict with the proper discharge of their official duties.
7. Directors, officers and employees shall manage all matters within the scope of the Corporation's mission independent of any other affiliations or employment. Directors, including ex officio board members, and employees employed by more than one government shall strive to fulfill their professional responsibility to the Corporation without bias and shall support the Corporation's mission to the fullest.
8. Directors, officers and employees shall not use Corporation property, including equipment, telephones, vehicles, computers, or other resources, or disclose information acquired in the course of their

official duties in a manner inconsistent with State or local law or policy and the Corporation's mission and goals.

9. Directors, officers and employees are prohibited from appearing or practicing before the Corporation for two (2) years following employment with the Corporation, consistent with the provisions of Public Officers Law.

10. No director, officer or employee of the Corporation shall acquire any interest, direct or indirect, in real property of the Corporation, in any real property to be acquired by the Corporation or in any real property to be acquired from the Corporation. No director, officer or employee of the Corporation shall have any interest, direct or indirect, in any contract or proposed contract for materials or services to be furnished or used by the Corporation. The board may adopt supplemental rules and regulations addressing potential conflicts of interest and ethical guidelines for directors, officers and employees. [LBA § 1614]

11. Each director, officer or employee who is a municipal officer or employee shall promptly make written disclosure of his or her position in the Corporation to his or her municipal supervisor and governing body in accordance with Section 803 of the General Municipal Law.

12. Each director shall, upon appointment, sign an acknowledgment of fiduciary duty in the form promulgated by the New York State Authorities Budget Office.

13. Each director, officer, and key employee as indicated by the Chairman shall annually file with the Chairman a statement disclosing real estate in Erie County in which he or she or a member of his or her household or a close relative (not including relatives more remote than first cousins) has a financial interest, and any other interest requiring transactional disclosure and recusal under paragraph 14 below.

14. Transactional disclosure and recusal. A Corporation officer or employee shall not use his or her official position or office, or take or fail to take any action, in a manner which he or she knows or has reason to know may result in a personal financial benefit for any of the following persons:

- (a) the Corporation officer or employee;
- (b) his or her outside employer or business;
- (c) a member of his or household;
- (d) a customer or client;
- (e) a close relative (not including relatives more remote than first cousins);
- (f) a person from whom the officer or employee has received election campaign contributions of more than \$1000 in the aggregate during the past twelve months.

A director, officer or employee shall promptly recuse himself or herself from acting on a matter before the municipality when acting on the matter, or failing to act on the matter, may financially benefit any of the persons listed above.

Whenever a director, officer or employee is required to recuse himself or herself under this code of ethics, he or she

- (i) shall promptly inform his or her superior, if any,
- (ii) shall promptly file with the Chairman a signed statement disclosing the nature and extent of the prohibited action or, if a director shall state that information upon the minutes of the board, and

(iii) shall immediately refrain from participating further in the matter.

15. **Exclusions.** A director, officer or employee of the Corporation who is a municipal officer or employee shall not be deemed to have a prohibited interest or be required to recuse him or herself from any transaction by reason of any interest of his or her municipality in a contract or transaction with the Corporation. Nor shall recusal be required as a result of an action specifically authorized by statute, rule, or regulation of the State of New York or of the United States or a ministerial act.

### **Implementation of Code of Ethics**

This Code of Ethics shall be provided to all directors, officers and employees upon commencement of employment or appointment and shall be reviewed annually by the Audit Committee.

- Dismiss complaints found to be without substance.
- Prepare an investigative report of their findings for action by the Executive Director or the board.
- Record the receipt of gifts or gratuities of any kind received by a director or employee, who shall notify the Ethics Officer within 48 hours of receipt of such gifts and gratuities.

### **Penalties**

In addition to any penalty contained in any other provision of law, a Corporation director, officer or employee who knowingly and intentionally violates any of the provisions of this code may be removed in the manner provided for in law, rules or regulations.

### **Reporting Unethical Behavior**

Employees, officers and directors are required to report possible unethical behavior by a director, officer or employee of the Corporation to the Ethics Officer. Employees, officers and directors may file ethics complaints anonymously and are protected from retaliation by the policies adopted by the Corporation.

### **Voidability of Contracts and Transactions**

No contract or other transaction between the Corporation and any other entity shall be void or voidable by reason of any conflict of interest or breach of this Code of Ethics except as provided by Section 715 of the Not-for-profit Corporation Law.

1. Applicability - This Procurement Policy ("Policy") shall apply to the Buffalo Erie Niagara Land Improvement Corporation ("the Corporation").
2. Scope - To adopt procurement policies which will apply to the procurement of goods and services paid for by the Corporation for its own use and account.
3. Purpose - The primary objectives of this Policy are to assure the prudent and economical use of public monies in the best interests of the Corporation, to facilitate the acquisition of goods and services of maximum quality at the lowest possible cost under the circumstances and to guard against favoritism, improvidence, extravagance, fraud and corruption.

### B. Procedures.

1. The Corporation may, in its discretion, assign contracts for supervision and coordination to the successful bidder or proposer for any subdivision of work. Contracts awarded by the Corporation shall contain such other terms and conditions as the Corporation may deem desirable.
2. Solicitation Procedures for the Purchase of Commodities, Equipment, Goods or Construction, Demolition, Renovation and Reconstruction Services.
  - a. Up to \$5,000 per instance – a contract may be awarded and executed in the discretion of the Chairperson or Executive Director of the Corporation or authorized designee.
  - b. Greater than \$5,000 to \$10,000 per instance – Upon receipt of documented written/ fax/ email quotations from at least three (3) vendors, a contract may be awarded and executed in the discretion of the Executive Director, or, in the absence of the Executive Director, the Chair of the Land Bank, or in her/his absence, the authorized designee of the Chair.
  - c. Greater than \$10,000 to \$25,000 per instance – Bid award to the lowest bidder who, in the opinion of the Executive Director, or, in the absence of the Executive Director, the Chair of the Land Bank, or in her/his absence, the authorized designee of the Chair, is qualified to perform the work required and who is responsible and reliable.
  - d. Greater than \$25,000 per instance – Bid award to the lowest bidder who, in the opinion of the Corporation and approved by the Board, is qualified to perform the work required and who is responsible and reliable.
3. Exceptions. Alternative proposals or quotations shall not be required for procurements made through or with respect to:

- a. New York State, Erie County or participating Municipality Contracts – when the Corporation is able to procure commodities, equipment, goods or services through New York State, Erie County Participating Municipality contracts, it is unnecessary to obtain quotations or bids;
  - b. Emergency Procurements – an emergency exists if the delay caused by soliciting quotes would endanger health, welfare, property or development opportunity. Approval of the Chairperson or Executive Director of the Corporation is necessary, which shall be documented and shall also include a description of the facts giving rise to the emergency;
  - c. Sole Source Procurements – A “sole source” means a situation where (i) there is only one possible source from which to produce goods and/or services available in the marketplace, (ii) no other goods and/or services provide substantially equivalent or similar benefits, and (iii) considering the benefits, the cost to the Corporation is reasonable;
  - d. Utilities and Affiliate Transactions – The purchase of utilities and inter-affiliate transactions are excepted from alternative proposal/quotation requirements;
  - e. Unavailability of three (3) vendors who are able or willing to provide a quote.
4. Basis for the Award of Contracts.

Contracts will be awarded to the lowest responsible dollar offeror who meets the specifications therefor, except in circumstances that the Corporation determines justify an award to other than the lowest responsible dollar offeror. The Corporation may reject any or all bids or waive any informality in a bid if it believes that the public interest will be promoted thereby. The Corporation may reject any bid, if, in its judgment, the business and technical organization, plant, resources, financial standing, or experience of the bidder justifies such rejection in view of the work to be performed. [NY N-PCL 1617]. In making any such determination, the Corporation shall consider relevant factors including, without limitation:

- a. Delivery requirements
  - b. Quality requirements
  - c. Quantity requirements
  - d. Past vendor performance and/or experience
  - e. The unavailability of three or more vendors who are able or willing to quote on a procurement.
  - f. It may be in the best interests of the Corporation to consider only one vendor who has previous expertise with respect to a particular procurement.
  - g. Any procurement excepted from the alternative proposal/quotation requirements as set forth herein, and the procurement of professional services as set forth in this policy.
5. Documentation

- a. A record of all solicitations for alternative proposals or quotations, the response (if applicable), and any determinations pursuant thereto shall be maintained in the procurement file.
- b. For each procurement by the Corporation, the Chairperson or Executive Director of the Corporation or authorized designee shall set forth in writing the category of procurement that is being made and what method of procurement is specified.
- c. Whenever an award is made to other than the lowest responsible dollar offeror the reasons for doing so shall be set forth in writing and maintained in the procurement file.
- d. Whenever the specified number of quotations cannot or will not be secured, the reasons for this shall be indicated in writing and maintained in the procurement file.
